

14 Senator Street MOUNT STUART, TAS

IMMACULATELY PRESENTED HOME FIRST TIME OFFERED TO THE MARKET

Located in the popular suburb of Mount Stuart and positioned in a quiet no-through road, this immaculately maintained and presented home was built in 1962 and stands as proudly as it did on its first day of life.

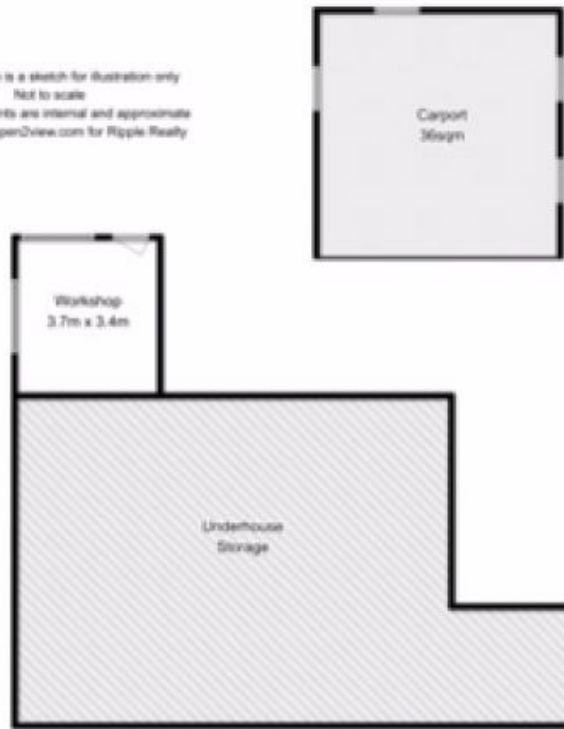

Seemingly modest from its street frontage, the dwelling is set over 2 levels and offers spacious and light-filled living on both levels. Aside from purchasing such a well-constructed and maintained property there is the distinct benefit of having a completely self-contained lower level suitable for independent living and many other options.

The main level features 4 bedrooms (3 of generous size and a smaller single/study with built in robe) and the master with robe and direct access to a 2 way ensuite bathroom with separate toilet. The views from the open plan sunny living zone are stunning, taking in Lenah Valley and New Town in the foreground and spreading across to Mt Direction, Cadbury, Ne
