Fantastic 2 bedroom cottage in a most convenient location!

Located just a very short stroll to the thriving restaurant district of North Hobart is a fabulous cottage offering: 2 bedrooms (both with built-ins), lovely living area with French doors leading to a private undercover area, sunny kitchen/dining area, bathroom with shower over bath combined with the laundry area, front veranda to sit on and off street parking for one car.

The property is only a very short stroll to public transport, cafes & restaurants and an easy stroll to Hobart's CBD.

Please note this cottage is still currently tenanted so inspection times will be pre-arranged in advance.
